Thank you for joining us for this production of The Snow Queen. It has been a joy and a privilege to work with such a talented, enthusiastic, and hard-working cast. Each young performer has brought their own spark to the story, helping us create a world of magic, adventure, and icy mischief right here on stage for you to see.

Over the rehearsal process, I've watched this cast grow in confidence, and tackle every challenge with determination and good humour. They have embraced the heart of Leeds Children's Theatre: creativity, teamwork, and the sheer delight of storytelling. I am incredibly proud of what they have achieved. Their dedication shines through in every scene, and I hope you enjoy watching this show as much as they have enjoyed bringing it to life.

Thank you to our cast for their commitment, imagination, and wonderful performances. They have all done brilliantly and I can't wait to direct them all again.
